About Us

Turkey provides a significant import advantage for our valued customers thanks to its advantages as logistics, world-class production and affordable cost.

As Aksava, we provide purchasing services to companies which located in Turkey with our innovative and dynamic team. In addition we establish strong relationships with quality companies and export their products to abroad.

In addition to the products which in our catalogue, we can offer you cost-effective offers by doing the best market research for all the products which you will request. We will be happy to work with you in all of your procurement processes.

The companies we work with have Halal, Kosher, BRC, ISO 9001 certificates.

Turkish Delights, Dried Fruits, and more...

Türk Lokumu, kuru meyveler ve daha fazlası...

Turkish Delight, getrocknete Früchte und mehr...
